INSTITUTE

Title: Collection on the Siata, circa 1980-2000.

Creator: Unknown.

Call Number: Archival Collection 88

Quantity: 4 linear feet (3 record center cartons)

Abstract: The Collection on the Siata, circa 1980-2000 consists of a variety of materials focusing on some Siata models. It's not known who compiled the materials. Within the collection are photographs, copies of articles, parts catalogs, invoices and other documents. Also, included in the collection are materials focusing on the Fiat 8V and the Fiat Dino. Siata (Società Italiana Auto Trasformazioni Accessori in English Italian Car Transformation Accessories Company) was an Italian car tuning shop and manufacturer founded in 1926 by amateur race car driver Giorgio Ambrosini. After World War II, the company began making its own sports cars under the Siata brand until its eventual bankruptcy in the mid-1970s.

Language: Materials are in English and Italian.

Acquisition Note: Accession number: 2018-015
