

Collier collection of photographs, 20<sup>th</sup> century.

Archival Collection 81

**Title:** Collier collection of photographs, 20<sup>th</sup> century.

**Call Number:** Archival Collection 81

**Quantity:** 190 linear feet (162 flat boxes)

**Abstract:** The Collier collection of photographs, 20<sup>th</sup> century consists of 162 boxes of black-and-white and color photographic prints and negatives. The Library staff compiled the materials from a variety of sources, including other collections in the repository, losing any sense of original order. The images are broadly organized into eight sections: marques, museums, genre, event, people, negatives, motorcycles, and unidentified. The collection contains images of cars such as the Alfa Romeo 12C 312, Bugatti Voiturette, Ferrari 166 MM Barchetta, Porsche 718 1-RS Spyder. Also included are images from events such as the ADAC 1000km race, Dutch Grand Prix, Indianapolis 500, 24 Hours of Le Mans. Also included are images of famous automotive personalities, such as Mario Andretti, Zora Arkus-Duntov, Louis Chevrolet, A.J. Foyt, Janet Guthrie, Hirofumi Honda, Jochen Rindt, and Gilles Villeneuve.

**Language:** Materials are in English.

**Transfer Note:** There are a variety of images that were pulled from other collections, such as the Bruce R. Craig photographs, 1902-1998 and the Karl E. Ludvigsen papers, 1905-2011. The original provenance and order is largely lost.

**Access Restrictions:** The Collier collection of photographs, 20<sup>th</sup> century is open for research.

**Publication Rights:** Copyright has been assigned to the Miles Collier Collections. Although copyright was transferred by the donor, copyright in some items in the collection may still be held by their respective creator. The researcher assumes full responsibility for conforming to the laws of libel, privacy, and copyright which may be involved in the use of this collection.
