CONDITIONS of SALE

THE prices quoted in the list are strictly nett, and include delivery at these works only. To suit purchasers' convenience, cars will on request be dispatched by rail (at purchasers' risk) to destination at the rate of 6d. per mile. Agents are authorised to charge freight to the place of destination at this rate.

To the immediate purchaser from themselves, or their Agents, Belsize Motors, Ltd., guarantee all Vehicles mentioned in this list for twelve months from the date of delivery. Such guarantee is limited to the repair or replacement of all parts giving out in the course of fair wear and tear on ordinary roads suitable for Motor Cars of the class sold, in consequence of defects of material or workmanship. No contingent, consequential, or resulting liability, loss or damage whatever, is covered by this guarantee. All parts complained of must be sent "carriage paid" to Belsize Works for inspection, with an intimation from the sender that he desires to have same repaired or replaced free of charge under this guarantee, and giving at the same time the number of the Car, name of Agent from whom purchased, and the date of purchase. If found to be within the terms of this guarantee, the Company will repair the part or furnish a new part, and hand the same to the owner, or forward it to him.

Accessories not actually made in Belsize Works, such as tyres, lamps, magnetos, &c., do not come within the scope of the guarantee, but they are guaranteed to be the products of reliable makers, and the names will always be specified on application.

No responsibility is accepted when cars have been altered or repaired outside Belsize Works, nor is the Company responsible for any guarantees or warranties made by Agents beyond those expressed above. This guarantee is given in lieu of all implied guarantees, which are hereby expressly excluded.

All goods are sold on the terms of the Society of Motor Manufacturers and Traders' Bond, which specifies, *inter alia*, that the Company's products shall not be exhibited at any show other than as sanctioned by the Society, under a penalty of £250, and the purchaser of the Company's productions will be held to have agreed to respect such terms.
