Title: Racing programs collection, 1895-ongoing.

Call Number: Archival Collection 44

Quantity: 162 cubic feet (138 boxes)

Abstract: The collection includes racing programs, race results, and race schedules collected at the Revs Institute. The materials cover a variety of race events held in the United States as well as abroad, and organized by name of the race. Collection also includes a small number of motorcycle race programs.

Language: Materials are usually in English.

Access Restrictions: The Racing programs collection is open for research.

Publication Rights: Copyright has been assigned to the Miles C. Collier Collection. Although copyright was transferred by the donor, copyright in some items in the collection may still be held by their respective creator. The researcher assumes full responsibility for conforming to the laws of libel, privacy, and copyright which may be involved in the use of this collection.

Citation: Courtesy of to the Miles C. Collier Collection, Racing programs collection, 1895-ongoing, Archival Collection 44.

Processed: The collection is processed.
